Dear Mr. Camiolo:

Thank you so much for your generous in kind donation of USB Drivers for Netbooks to The Ronald McDonald House of Long Island. We are extremely grateful to you for your generosity and your support of our mission.

Assistance from the community is critical to our well-being. Your thoughtful and generous contribution is greatly appreciated and will serve to bring comfort and relief to those who depend on the services that we provide.

For nearly twenty five years we have been a home-away-from home for over 14,000 families of seriously ill children. Knowing that there is food, a warm bed and a helpful hand waiting at the end of a very long day is the best medicine for our families. Knowing that their family is nearby is the best medicine for the child.

Your generosity will help us to reduce one more burden for these overwhelmed families. On behalf of them and their children, who benefit most from your support, thank you from the bottom of our hearts!

Warmest regards,

Matthew Campo
